HARDWARE & TOILET PARTITIONS

INDIVIDUAL COMPONENTS

If you need to replace a damaged component on your existing partitions, TMS SOUTH can supply these in baked enamel steel, stainless steel, plastic laminate, solid plastic or phenolic. Request our product guide to match colors with your existing partitions.

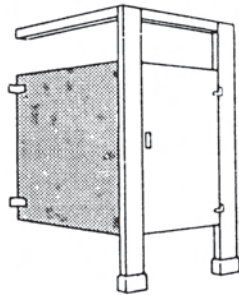

DOORS

Please specify the actual door size i.e. 23-1/2" x 58" and thickness or the actual door opening i.e. 24". Also specify the material and whether the door is inswing or outswing. All doors are shipped with mounting hardware.

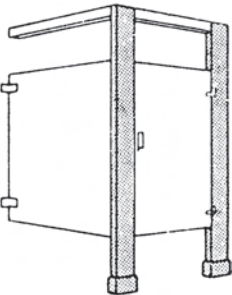

PANELS

Please specify the actual panels size and thickness (i.e. 54-1/2" x 58" x 1"). Also specify the material. Panels come with hardware to mount them to the wall and pilasters.

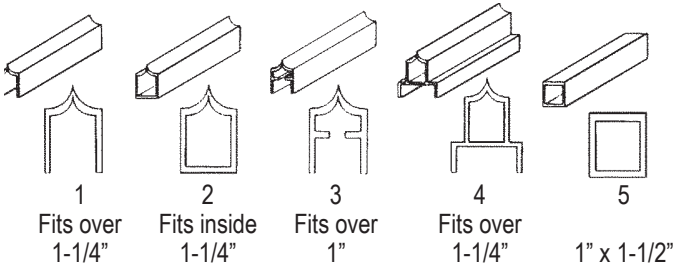

PILASTERS

Please specify the width, length and thickness of the pilaster. For floor mounted pilasters with headrail indicate whether the headrail slips over or into the pilaster. Pilasters come with hardware to mount them to the floor or ceiling and a pilaster shoe.

HEADRAIL

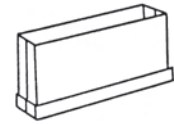

Specify the type of headrail and length required. Any length over 100" cannot be shipped by UPS.

PILASTER SHOES

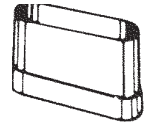

Please specify if shoe is for floor or ceiling hung pilaster and the type of material it is used on i.e. baked enamel. Mounting hardware is ordered separately
